

Ames Warming Place Volunteer Agreement

I understand that I will serve as a volunteer for Ames First United Methodist Church, which houses the Ames Warming Place (AWP), and that Ames First United Methodist Church's liability policy will cover me.

I have read the AWP Extreme Temperature Plan and agree to abide by the policies and shift procedures it contains. I understand that I will receive periodic updates, and it is my responsibility to review any changes before working a shift.

I will make myself available when the AWP is open to work shifts as I am available. I will keep my contact information current by sending updates, as necessary. If called or otherwise contacted, I will promptly let the AWP know whether I can cover a shift.

I will not bring guns, any other weapons or dangerous materials, or alcohol or drugs to the AWP.

I will not agree to work a shift if I am intoxicated or under the influence of drugs.

I will not volunteer for a shift if I am ill/contagious.

I will share shift responsibilities equally with the other volunteers working the shift. I understand that one volunteer must remain awake during each shift.

I will stay until the end of my shift, or I am relieved by an incoming volunteer.

I will treat guests and fellow volunteers with respect and will prioritize the safety of all.

I understand that the AWP will conduct a background check and that a recent conviction for abusive or violent behavior or drug involvement could disqualify me for serving as a volunteer.
